City Council

Honorable Members in Session:

SUBJECT: Transfer of Funds and Recommendation of Bid Award for LUTHER DRIVE CONNECTION

SUMMARY

The subject project has been advertised for bids. Bids have been received and the City Engineer hereby recommends transfer of funds to the project and bid award.

BACKGROUND

On January 29, 1980, the City Council approved plans and specifications for LUTHER DRIVE CONNECTION and bids were received and opened by the City Clerk in the Council Chambers on February 19, 1980. Bids received were as follows:

Granite Construction Company	\$9,836.00
Rough & Ready Construction, Inc.	10,236.55
R. C. Collet, Inc.	10,419.00
Biondi Paving, Inc.	10,961.00
Lubenko Construction Co.	16,151.16

FINANCIAL DATA

The low bid of Granite Construction is 26.61% above the Engineer's estimate of \$8,155; however, the City Engineer feels this is the best bid obtainable and recommends award of the bid. \$5,000 was transferred to the project on October 4, 1979 from the 1979/80 Miscellaneous Improvements and approximately \$3,865 remains in the project as of January 18, 1980. It is recommended that an additional \$7,000 be transferred from 1979/80 Miscellaneous Improvements (Gas Tax) to the project, leaving a balance of \$55,800 in Miscellaneous Improvements.

RECOMMENDATION

The City Engineer recommends that \$7,000 be transferred from Miscellaneous Improvements (Gas Tax) and that the contract be awarded to the low bidder, Granite Construction Co., in the amount of \$9,836.00.

Recommendation Approved:

TO THE HONORABLE CITY COUNCIL:

The undersigned hereby proposes and agrees to furnish any and all required labor, material, transportation and services for

LUTHER DRIVE CONNECTION

in the City and County of Sacramento, California.

The work is to be done in strict conformity with the plans, Standard Specifications and Special Provisions, all as on file in the office of the City Clerk, at the following unit prices:

Item No.	Item	Est. Quantity	Unit	Unit Price	Total
1.	Clearing & Grubbing	1	Job	Lump Sum	\$ 1500.00

If awarded the contract, the undersigned agrees to sign said contract and furnish the necessary bonds within ten (10) days after the notice of award of said contract and to begin work within fifteen (15) days after the signing of the contract by the Contractor and the City.

In determining the amount bid by each bidder, City shall disregard mathematical errors in addition, subtraction, multiplication and division that appear on the face of the Proposal. When such a mathematical error appears on the face of the Proposal, the City shall have the right to correct such error and to compute the total amount bid by said bidder on the basis of the corrected figure or figures.

When an item price is required to be set forth in the Proposal, and the total for the item set forth separately does not agree with a figure which is derived by multiplying the item price times the Engineer's estimate of the quantity of work to be performed for said item, the item price shall prevail over the sum set forth as the total for the item. The total paid for each such item of work shall be based upon the item price and not the total price. Should the Proposal contain only a total price for the item and the item price is omitted, the City shall determine the item price by dividing the total price for the item by Engineer's estimate of the estimated quantities of work to be performed as items of work.

If the Proposal contains neither the item price nor the total for the item, then it shall be deemed incomplete and the Proposal shall be disregarded.

It is understood that this bid is based upon completion of the work within a period of one hundred twenty (120) calendar days commencing on the day the Contractor begins work.

The undersigned has examined the location of the proposed work and is familiar with the plans, specifications and other contract documents and the local conditions at the place where the work is to be done.

The undersigned has checked carefully all of the above figures and understands that the City of Sacramento will not be responsible for any errors or omissions on the part of the undersigned in making up this bid.

The undersigned agrees that this bid shall be good and may not be withdrawn for a period of forty-five (45) calendar days after the scheduled closing time for receiving bids.
