BIDDER'S NAME: Pinkerton's, Inc. by Gary A. Walden, District Manager 5/23/80

Addendum to Bid to the
City of Sacramento, California
Bid No: 313

I am sure you will agree that the two major benefactors of the contract for guard service should be, 1) The City of Sacramento and 2) The guard performing duties. After studying our proposal, I feel you will agree that Pinkerton's quote, above all, provides for these benefits.

It is possible to purchase security service at rates lower than Pinkerton's. However, to do this the company must reduce wages or benefits to the guard. This usually results in high turnover of personnel and a deterioration of service.

Knowing that you deal in quality service, we are certain you will appreciate it when we say that the real economy in a security service is not the rate. Rather, it is the company's ability to supply you with a professional service that will provide maximum security for your dollar. Backed by 130 years of experience Pinkerton's provides this service.

At Pinkerton's we provide only premium service. Based on our experience, we know what it will take to provide you with a security as free from problems as possible. If you study our proposal closely, you will see that the only way anyone can provide service for less than Pinkerton's is to provide less service and pay their guards less money.

In addition to paying the highest wages in the industry, our guards receive the following fringe benefits:

- A. Employee Profit Sharing
- B. Dependent Scholarship Program
- C. Major Medical Insurance
- D. Free Life Insurance
- E. Free Uniforms and Equipment
- F. Paid Sick Leave
- G. Paid Vacations
- H. Premium Pay for Ten Holidays
- I. Suggestion Awards
- J. Tuition Refund

Hourly Rates for Service

The hourly rate used to compute monthly and annual cost for Uniformed Security Service is \$6.69 per man hour worked.
