There is such a lack of detail related to the revenue and costs, maybe a report back to the Council or the Budget and Audit Committee that includes for each Fiscal Year of operation; the total amount of revenue received, total number of GEMT eligible transports/service, how much of 1% was paid to SMFD and what was the cost for the CDHS cost for program operation paid to SMFD.

Maybe a report back as these future funds are received and amount paid out should be included as noted in comments per item 27.
