Description/Analysis

Issue: In accordance with Sacramento City Code, Title 2, Chapter 2.12.030 and California Penal Code Section 836.5, the City Council is required to issue a resolution granting specific individuals the authority to enforce codes through means of citation and arrest. The attached resolution provides the names of the specific individuals in the Animal Care Services Division who have received the required training and are recommended to receive approval for citation and arrest authority.

With respect to animal control officers, they also derive their authority to issue citations, make arrests, and to serve warrants under Penal Code Section 830.9. Nothing in the resolution will limit the authority granted to animal control officers under Penal Code Section 830.9 or under any other applicable law.

Policy Considerations: This recommendation is consistent with City Council priorities and policies related to compliance with the City's Codes, cost recovery, and the City's goal to enhance and preserve the neighborhoods by providing enforcement of animal related laws.

Environmental Considerations:

California Environmental Quality Act (CEQA): The recommendation in this report involves an ongoing administrative activity, which is not conducted in conjunction with a project subject to CEQA review, and therefore does not constitute a "project" and is not subject to CEQA in accordance with Section 15378(b)(2) of the CEQA Guidelines.

Sustainability: Not applicable

Commission/Committee Action: Not applicable

Rationale for Recommendation: In accordance with Sacramento City Code, Title 2, Chapter 2.12.030, the City Council is required to issue a resolution granting specific individuals the authority to enforce codes through means of citation and arrest. Within the Department of General Services, Animal Control Officers are designated by their employee classification the specified citation authority.

However, before these officers can be granted this authority, they must meet certain requirements. The individuals who enforce the animal related codes have met additional training requirements with the City of Sacramento Police Department and are qualified to be granted citation and arrest authority.

Periodically, staffing changes require an update to the list of individuals who shall be granted this authority. Personnel changes in the Animal Care Services Division require an update to the list of names granted citation and arrest authority.

Financial Considerations: This report does not result in any financial impact to the City.

Emerging Small Business Development (ESBD): No goods or services are being purchased as a result of this report.
