Mr. Richard L. Rathfon  
Planning Director  
City Planning Commission  
Room 308, City Hall  
Sacramento 14, California

Dear Mr. Rathfon:

This is a request for an extension of Special Use Permit No. 158, approved by the City Planning Commission on June 14, 1960, granting permission to erect a single family residence and duplex on Lot 19 Sutter Park, City of Sacramento.

Due to time involved in completing over-all design, obtaining bids, and financing, it is apparent that application for a building permit cannot be made by June 14, 1961, which is the present expiration date of the Special Use Permit.

Very truly yours,

(SIGNED)
