Repealation of Sacramento City Code

Article IV, Sec. 27.351; Ord. 4229. This the City Law pertaining to the 5 m.p.h. speed limit on the Lower American River (Between Discovery Park & I-80 Bridge).

I feel this law was steamrolled through the legal process without adequate public discussion of the merits/faults ~~cont~~ contained therein. To support my contention I have gathered 1,000 (approx) signatures of like minded citizens, 80% of whom live and work in the City of Sacramento or outlying areas. We feel this Ordinance needs to be re-aired in the proper public forum for full public discussion.

I respectfully request to be included on the City Council meeting of August 31st 1982
