

RESOLUTION NO. 2007-287

Adopted by the Sacramento City Council

May 22, 2007

APPROVAL OF THE NONPROFESSIONAL SERVICES AGREEMENT FOR TOW SERVICES

BACKGROUND

- A. Currently, the City is responsible for more than 27,000 towed vehicles between the Police Department and Code Enforcement (based on 2006 figures). Due to the high demand for tow services, the City has conducted an RFP process to create a new contractor tow list comprised of thirty (30) contractors. It is necessary for the City to contract with multiple contractors because of the high number of tows.
- B. The Nonprofessional Services Agreement for tow services is for June 1, 2007 to December 31, 2007 with four (4) one-year options to renew.
- C. The agreement provides for \$7.00 per tow administrative fee payable by the contractors to the City and a set \$160.00 tow fee and \$45.00 per day tow storage fee that the contractors are allowed to charge owners of towed vehicles. The heavy duty (Classes B, C, and D) tows are individually bid by the tow companies that are capable of handling the heavy duty tows.
- D. In previous years, Code Enforcement has spent the following amounts on heavy duty and junk tows: \$230,117.00 (FY05), \$123,460.00 (FY06), and \$62,855.00 (FY07 YTD).

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. In the best interests of the City, competitive bidding is suspended for the tow services agreement.
- Section 2. The City Manager is hereby authorized to enter into Nonprofessional Service Agreements, including any amendments or extensions thereto, with the thirty (30) contractors listed in Exhibit A, to provide tow services from June 1, 2007 through December 31, 2007, with four (4) one-year options to renew.
- Section 3. The City Manager is hereby authorized to execute Nonprofessional Service Agreements for the provision of tow services with additional contractors during the annual Open Enrollment Period for the duration of the Nonprofessional Services Agreement.
