north side of Riverside Boulevard)
at Florin Road (P-8356))

NOTICE OF DECISION
and
FINDINGS OF FACT

At its regular meeting of March 25, 1980 the City Council heard and considered evidence in the above entitled matter. Based on oral and documentary evidence at said hearing, the Council denied the appeal based on the following findings:

1. The granting of the time extension is not based on sound principles of land use in that:
 - a. The continued use of the site for the sign causes distraction and visual clutter at this location;
 - b. There are other signs in the immediate area that also give direction to the subdivision.
2. The proposal is not consistent with the policies set forth in the General Plan which encourages the beautification of all streets.
