MEMORANDUM

MARCH 2, 1981

TO: COUNTY EXECUTIVES, CITY MANAGERS AND CITY CLERKS  
IN NON-MANAGER CITIES

FROM: JAMES A. BARNES, EXECUTIVE DIRECTOR

RE: WORK PROGRAM REPORT

CITY MANAGER'S OFFICE  
**RECEIVED**  
MAR 4 1981

You may recall that the Joint Powers Agreement that established SACOG requires a "Work Program Report" to each member city and county by the Executive Director. A copy of Section 59.5 of the JPA is attached.

A very tentative schedule for visits to cities and counties is attached. I am attempting to arrange for the SACOG Directors that represent a group of cities to attend each city council meeting. These arrangements should be completed this week.

Following that I will contact you to see if the specific dates suggested are reasonable and feasible. Also, I will want to find out from you what type of presentation would be most effective. Generally what I have in mind is a 10 or 15 minute presentation and then an opportunity for questions and comments from supervisors and council members.

If you have any questions on this, please let me know.

LORRAINE-

ARE THERE COUNCIL DATES DOWNSTREAM THAT SHOULD BE AVOIDED BECAUSE OF HEARINGS, ETC?

EXCERPTS FROM THE JOINT POWERS AGREEMENT ESTABLISHING  
THE SACRAMENTO AREA COUNCIL OF GOVERNMENTS

Section 59.5 Work Program Report

Prior to the adoption of a Final Work Program for each fiscal year, the Executive Director shall report to each member city or county on the work program of the preceding year with emphasis on those portions which have affected the applicable member city or county by addressing either local needs or an areawide need of local interest. Each member city or county shall have an opportunity to comment and identify problems, issues and needs which the member city or county determines have not been addressed and which should be considered for inclusion in future work programs and funding allocations. The comments of each member city and county shall be transmitted to and considered by the Board prior to the adoption of the Final Work Program.
