

RESOLUTION NO. 2008-236

Adopted by the Sacramento City Council

April 22, 2008

APPROVING A PROFESSIONAL SERVICES AGREEMENT WITH DAVID EVANS & ASSOCIATES TO PROVIDE CONSULTANT SERVICES FOR ENGINEERING DESIGN OF THE ROSEVILLE ROAD BRIDGE REPLACEMENT PROJECT (PN: RR46 / T15068500)

BACKGROUND

- A. The Roseville Road Bridge Replacement Project is on Roseville Road over Arcade Creek, between Haggin Oaks Golf Course and the Union Pacific Railroad tracks.
- B. Due to the generally poor condition of the bridge structure, the high ranking within the 2006 Transportation Programming Guide, and the availability of federal funding, the Department of Transportation recommends moving forward with a replacement project at this time.
- C. Based on the quality of proposals submitted by consultants and the results of interviews with top ranked firms, David Evans & Associates has been selected to provide professional services for this project.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The FY07/08 Capital Improvement Program expense budget is amended by transferring \$737,350 from State and Federal Grant Match (T15007200) (Fund 2007) to the Roseville Road Bridge Replacement Project.
- Section 2. The City Manager is authorized to execute a Professional Services Agreement with David Evans & Associates (D.E.A.) for an amount not to exceed \$1,030,043 for the Roseville Road Bridge Replacement Project.
