annette rivera annette_rene@yahoo.com 3202 Riverside Blvd sacramento ca	I strongly oppose the Clear Wire tower or any future cell towers at 3200 Riverside Blvd! This will have another impact on our decline of customers and revenue as if the economy isn't doing enough of that already! Which may force me out the business as a whole. Giving access to my company 24/7 is unacceptable! This is a liablity in every form.	**Oppose** 8/12/2010 ❌

Nancy Mottmans Sandringham Road Citywide Sacramento CA	Oppose this item vehemently. Needs to be more input and inform people from Sacramento county who come to the downtown area everyday for work/school since they will be impacted.	**Oppose** 8/16/2010 ❌

Alany Helmantoler helmantolers@sbcglobal.net Citywide	The legislative committee in your city approved a letter of support of assembly bill AB 1934. I would highly encourage you to look further into this matter. There was a letter already sent out without approval on Sacramento letterhead 6/23 that is in Assemblywoman Lori Saldana's bill binder by Kevin McCarty (copy found here: http://www.docstoc.com/docs/49535028/2010-SACRAMENTO-opp-original-from-city) I would like to be contacted to discuss this further.
