**Summary:**

On November 24, 2003 a Professional Services agreement was entered into with the  
Community College Foundation for student intern support. Per City Code Section  
3.64.040, the City Manager has authorization to approve supplemental agreements up  
to \$25,000 for agreements originally executed for a price of less than two hundred fifty  
thousand dollars (\$250,000.00). Staff is recommending that the City Council authorize  
the City Manager to execute Supplemental Agreement No. 4 which will bring the not-to-  
exceed amount for City Manager Agreement No. 2003-1087 to \$93,000.

**Committee/Commission Action:** None.

**Background Information:**

On November 24, 2003, a professional services agreement was entered into with the  
Community College Foundation for student intern support. The use of student interns  
allows the department to minimize impacts for support that would normally require  
additional FTE. There have been three additional supplemental agreements entered  
into modifying the original contract from \$25,000 to \$68,000. The addition of

supplemental agreement No. 4 will modify the original agreement not to exceed \$93,000.

**Financial Considerations:**

The additional funding for Supplemental Agreement No. 4 will be incurred from Development Engineering and Finance's FY06 operating budget and administrative fees collected from private development projects.

**Environmental Considerations:**

The approval of this agreement is not considered a project as defined by Section 15378 of the California Environmental Quality Act (CEQA) guidelines.

**Policy Considerations:**

Pursuant to Chapter 3.64.040 of the City Code agreements originally executed for a price of less than two hundred fifty thousand dollars (\$250,000.00), the City Manager shall have the authority to issue supplemental agreements for an increase in agreement price of up to twenty-five thousand dollars (\$25,000.00), provided that the sum of all such supplemental agreements for any single agreement shall not exceed twenty-five thousand dollars (\$25,000.00). The proposed Supplemental Agreement raises the contract limit to exceed the City Manager's authority; therefore, the agreement requires approval by the City Council.

The Council action recommended in this report supports the following City Strategic Plan goals:

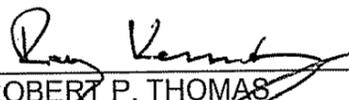

- Promote and support economic vitality

**Emerging Small Business Development (ESBD):**

City Council adoption of the attached resolution is not affected by City policy related to the ESBD Program.
