

RESOLUTION NO. 2009-100

Adopted by the Sacramento City Council

February 24, 2009

REJECTING PROPOSALS FROM THE OLD SACRAMENTO SOLID WASTE COLLECTION AND DIVERSION PROGRAMS REQUEST FOR PROPOSALS (PN: P074360001) AND REVISING REQUEST FOR PROPOSALS FOR RE-RELEASE

BACKGROUND

- A. In February 2007, the Old Sacramento Division received approval from the City Council and subsequently released a Request for Proposals (RFP) to solicit proposals from qualified companies to provide solid waste collection and diversion services to businesses and residents within the Old Sacramento Collection District.
- B. Only two proposals were received in response to the RFP and the evaluation panel was unable to render a recommendation based on the proposals. Several factors caused the RFP to be unsuccessful, including: the broad scope of the RFP; the Sacramento Regional Solid Waste Authority's adoption of new recycling requirements in March 2007; and the length of time remaining for existing Old Sacramento garbage service providers to continue service.
- C. Two alternative garbage collection systems, a bag system and a tug/cart system, are determined to be inappropriate for Old Sacramento and will not be included in the revised RFP.
- D. It is in the City's best interest to reject the proposals received in 2007 and revise the RFP to clearly define the garbage service delivery plan for Old Sacramento and incorporate the new recycling requirements should result in a successful outcome.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. All proposals received for the 2007 Old Sacramento Solid Waste Collection and Diversion Programs Request for Proposals are rejected.
- Section 2. The City Manager, or his designee, is directed to revise the Old Sacramento Solid Waste Collection and Diversion Programs Request for Proposals to clarify the project goals and implementation plan and return to Council for approval of the RFP at a future date.
