City Council
Sacramento, California

Honorable Members in Session:

Subject: Report on Bids for Argonaut Community Center

SUMMARY:

The subject project, as part of the City's Capital Improvement Program, has been advertised for bids. Bids have been received and the City Engineer recommends that this report be filed pending recommendation of bid award at a later date.

BACKGROUND:

On September 1, 1981 the City Council approved plans and specifications for the Argonaut Community Center and bids were received and opened by the City Clerk in the Council Chambers on September 22, 1981. The bids received are as follows:

<u>Contractor</u>	<u>Bid Amount</u>
Trans-Sierra Construction, Inc.	\$ 99,948.00
Scotsman Manufacturing Co., Inc.	109,512.00
Robert J. Rugen Jr.	127,500.00
Q.E.D. Industries dba Del-Tec	127,555.00

The engineer's estimate for this project was \$ 85,000.00. Since the low bid is 16% above the engineer's estimate an additional analysis of the project and the bids is necessary before a valid recommendation can be made.

RECOMMENDATION:

The City Engineer recommends that this report be filed and recommendation of bid award be made at a later date.

Respectfully submitted,

R. H. PARKER
City Engineer

Recommendation Approved:
