

RESOLUTION NO. 2007-227

Adopted by the Sacramento City Council

April 17, 2007

APPROVING A CONTRACT WITH ELEVATOR TECHNOLOGY, INC. FOR \$209,800 TO PROVIDE ELEVATOR RENEWAL SERVICES FOR THE CENTRAL LIBRARY ELEVATOR RENEWAL PROJECT (CE21)

BACKGROUND

- A. The Central Library relies on two heavily used passenger elevators to transport library patrons from the lower level up five floors to the top level. Because of the age of the two passenger elevators and the frequent usage by up to 500,000 passengers per year, the mechanical, electrical and safety components are overdue for renewal.
- B. On February 9, 2007, the Department of General Services posted a request for bids to the City's Contract website. Three firms attended a mandatory bid walk through on February 22, 2007.
- C. Bids were opened on February 28, 2007, and Elevator Technology, Inc. was the only firm to respond to the bid. Contract staff reviewed and determined that the written proposal based on the firm's qualifications and cost proposal was responsive.

BASED ON THE FACTS SET FORTH IN THE BACKGROUND, THE CITY COUNCIL RESOLVES AS FOLLOWS:

- Section 1. The contract with Elevator Technology, Inc. is hereby accepted and approved in an amount not to exceed \$209,800.
- Section 2. The City Manager or his designee is authorized to execute a contract in the amount of \$209,800 with Elevator Technology, Inc to renew the existing elevators (CE21).

Adopted by the City of Sacramento City Council on April 17, 2007 by the following vote:

Ayes: Councilmembers, Cohn, Fong, Hammond, McCarty, Pannell, Sheedy, Tretheway, Waters and Mayor Fargo.

Noes: None.

Abstain: None.

Absent: None.

Mayor Heather Fargo

Attest:

Shirley Concolino, City Clerk
