SUMMARY

This project has been advertised for bids. Bids have been received and contract award is recommended.

OFFICE OF THE  
CITY CLERK

*C085020*

BACKGROUND

On July 30, 1985, the City Council approved plans and specifications for this project and bids were received and opened by the City Clerk in the council chambers on August 20, 1985. Bids received are as follows:

Keyava Construction	\$ 69,994.00
Granite Construction Company	\$ 83,401.00

The engineer's estimate of construction cost was \$50,100.00. Even though the low bid of Keyava Construction was 40% over the engineers estimate, it is believed to be the best bid available, based on the location of the work and the necessary move in - move out costs for the contractor. The estimated completion date for the project is December 15, 1985.

FINANCIAL

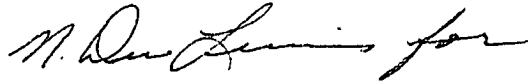

The City Council has approved \$70,300.00 in the Public Works budget for the project, \$50,000.00 of which is from major street construction funds and \$20,300.00 from the General Fund. It will be necessary to transfer an additional \$13,000.00 of Major Street Construction funds from the Miscellaneous Street Improvements account (CC1258).
